

House Resolution No. 4458

Whereas, it is with special pleasure that the members of the Missouri House of Representatives pause to recognize the City of Raytown's Emergency Medical Service, which has received the Missouri State EMS Association 2007 Emergency Medical Service of the Year award; and

Whereas, with more than 280 active EMS services in the Show-Me State, Raytown EMS was honored during a special ceremony at the combined clinical conference and training in Lake Ozark, Missouri; and

Whereas, Raytown EMS was nominated by the Alliance Medical Company, and received letters of support from the Fire District, Mayor Bower, Charlotte Melson of the Sheppard Center, and Kansas City MAST Ambulance; and

Whereas, Raytown EMS credits its success to the quality people committed to education, dedicated to quality and progressive patient care, and most importantly, people with a lot of heart; and

Whereas, it is entirely fitting and proper that this legislative body should pay tribute to Raytown EMS at this proud moment of well-deserved recognition:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join in extending our most hearty congratulations to Raytown EMS Director Matthew Cushman and to Raytown EMS upon their most worthy receipt of the 2007 Emergency Medical Service of the Year award; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Raytown Emergency Medical Service.
